

# BRAVOLL® IT PTH

## Picture

## Description

Plastic washer for the extension of insulation anchor plates. The washer is made of glass fibre reinforced polyamide, and is suitable for the fixing of mineral wool insulation boards in external wall insulation systems (ETICS).

## Technical data

Diameter $d_p$ :	100 mm and 140 mm
Material:	glass fibre reinforced polyamide

## Features

- compatible with all BRAVOLL® PTH insulation anchors
- the wide surface of the washer increases the pull-through values of the fixed insulation material boards
- the washer plate geometry ensures the good adhesion of the gluing mortar.

## Compatible with

PTH-S 60/8  
 PTH-SX 60/8  
 PTH-KZ 60/8  
 PTH 60/8  
 PTH 60/10  
 TIT 60/5-20
